## HARRY DALTON EXECUTIVE VICE PRESIDENT - GENERAL MANAGER

Milwaukee Brewers fans are hoping the second time around will be as exciting as the first. With Harry Dalton on the scene, they should not be disappointed.

Dalton, 59, is in his eleventh season as Executive Vice President - General Manager, the only person to ever hold that title with the Brewers. When he first arrived on the scene in November of 1977, the Seattle Pilot/Milwaukee Brewer franchise had combined for a .420 winning percentage (614-846). Since Dalton has arrived, the Brewers have compiled a .527 winning mark (824-741), the eighth best mark in all of baseball.

In that span, the Brewers were perennial contenders, finally capturing the Eastern Division Second Half Championship in the shortened 1981 season, a springboard to their winning the American League Pennant and a World Series appearance in 1982.

Winning and Dalton usually go hand-in-hand. In some 22 years as a general manager with the Baltimore Orioles, California Angels and the Brewers, Dalton has a .528 winning percentage (1847-1646), including a superb .603 mark (582-383) with the Orioles. His efforts have been rewarded, as he earned **The Sporting News** Executive of the Year award twice - in 1970 with the Orioles and 1982 with the Brewers. Dalton began his baseball career with the Orioles as Assistant Farm Director (1953), Farm Director (1961-65) and Vice President of Player Development (1966-71), winning four pennants ('66, '69-71) and two World Championships ('66 & '70). He spent the next six seasons (1972-77) as the Executive Vice President & General Manager of the Angels before joining the Brewers.

Dalton, a strong believer in developing talent from within the organization, saw his 1987 ballclub return to contention and become a prize example of the theory. The young Brew Crew was one of the most exciting in baseball, taking the baseball world by storm by setting an American League record and tying a Major League record with 13 consecutive victories to open the season. The Brewers went on to finish in third place in the Eastern Division with a 91-71 record (.562), the third best mark in the league and tied for fifth overall in the majors.

Better things could be on the horizon since the Brewers captured the "Organization of the Year" Award from **Baseball America** Magazine for an unprecedented third straight year, before finally adding a similar honor from Topps, which recognized the Brewers farm system as the best in baseball. That is the eighth time in his career Dalton's organization has been honored, twice each with the Orioles and Angels.

While veterans like Paul Molitor, Robin Yount and Jim Gantner, all part of the 1982 Championship Team, return to the 1988 club, players who were developed in the farm system will be the key to the club's future. People like Teddy Higuera, Dan Plesac, Juan Nieves, Bill Wegman and Chris Bosio on the mound and B.J. Surhoff, Dale Sveum and Mike Felder in the field. Dalton has also used the trade route to build championship teams. While Greg Brock, Rob Deer, and Mark Clear are key performers on the current Brewer team, Don Sutton, Gorman Thomas, Jim Slaton, Ted Simmons, Rollie Fingers, Pete Vuckovich and Ben Oglivie were key members of the past Brewer teams.

During his career, Dalton has acquired three Cy Young Award winners, three MVP recipients, nine 20-game winners, five home run champions and Nolan Ryan, the all-time major league strikeout leader and record-holder with five no-hitters.

Always one to give his staff credit, Dalton has formed a solid front office combination, appropriately nicknamed "The Dalton Gang". Walter Shannon, Senior Advisor - Baseball Operations, Bruce Manno, Assistant General Manager and Farm Director, Dee Fondy and Sal Bando, Special Assistants, Ray Poitevint, Vice President - International Baseball Operations, Dick Foster, Scouting Director, and Walter Youse, Eastern Scouting Supervisor, head up this group, along with the scouts, managers, coaches and instructors, all playing a key role in finding and producing the talent in this winning organization.

All the talent in the world is useless without leadership and that is another area where Dalton has developed a fine record. He tabbed a then little known Tom Trebelhorn to lead the current, young Brewers to prominence and also gave Earl Weaver, George Bamberger, Buck Rodgers and Harvey Kuenn their first managerial jobs. All have won some Manager of the Year honors, including Bamberger, Kuenn and Trebelhorn with the Brewers.

Dalton, a former sportswriter for the Springfield (MA) Daily News while in high school and college, is a 1950 graduate of Amherst College. He earned a Bronze Star for his work as a combat press officer while serving in Japan and Korea as a First Lieutenant in the Air Force during his 37-month tour of duty.

Harry and his wife, the former Patricia Booker, have been married for 27 years. They have three daughters, Kim, 25, a University of Arizona graduate, Cindy, 22, a graduate of the University of Richmond, and Debbie, 20, a junior at Tufts University in Medford, Massachusetts. The Daltons reside in River Hills, Wisconsin, a Milwaukee area suburb.

## THE BREWER LOGO

The Milwaukee Brewers logo is beginning its 11th year of existence, following its selection from over 2,000 entries in a month-long contest that was open to the public, both amateur and professional, in October and November of '77. Tom Meindel, an Art History student at the University of Wisconsin-Eau Claire, designed the logo and earned the \$2,000 first prize. The logo combines the lower case letters "m" and "b", the club's initials to form a baseball mitt.

## DID YOU KNOW ...

With Robin Yount earning the American League Most Valuable Player Award, and Pete Vuckovich earning the A.L. The only other team to accomplish that was the National League Los Angeles Dodgers in 1962 and '63 when Sandy Koufax, Don Drysdale and Maury Wills earned the honors.

## DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game may be used defensively, but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Cooper set a club record in 1980 when he pounded out 219 hits and he also accomplished the feat in 1982 (205) and 1983 (203). Robin Yount (210) and Paul Molitor (201) have also accomplished the feat, as Yount, Cooper and Molitor finished 1-2-3 in the American League in hits in 1982, marking the first time that has happened since the 1915 Detroit Tigers.

## HITTING FOR THE CYCLE

Only two Milwaukee Brewers have ever hit for the cycle in a game, with Mike Hegan doing it back in 1976 and Charlie Moore accomplishing the feat in 1980. Hegan managed to hit a double, homer and a triple off Detroit's Mark "The Bird" Fidrych on September 3, 1976 in Tiger Stadium and completed the task by hitting a single off Bill Laxton. He finished the day with four hits in five at-bats including a walk, scoring twice and driving in six runs. Moore hit for the cycle on October 1, 1980 at California, singling off Ed Halicki, homering off Chris Knapp, tripling off Dave Schuler and finally doubling off Mark Clear. He went four-for-five in the game, with three RBI, adding two stolen bases, capping the best single game performance of his career.

## FACTS ABOUT COUNTY STADIUM

The site for County Stadium was officially selected on January 11, 1949, with the initial construction beginning on October 19, 1950. The stadium's original seating capacity of 28,111 permanent seats and 7,900 portable seats had a total capacity of 36,011 for the stadium's first event: an exhibition baseball game between the Milwaukee Braves and Boston Red Sox on April 6, 1953.

On October 6, 1953, the construction of additional permanent seating was approved, increasing the capacity to 43,394 for the 1954 baseball season. The outfield wall was constructed in 1961 and permanent bleachers were added in centerfield during the 1961 season. In 1962 the moving ramps were installed and in 1964 improvements for television and photographic facilities and the erection of temporary bleachers were completed, bringing the total number of bleacher seats to 10,591.

Additional improvements included a remodeled football pressbox in 1972; a new lighting system in 1973; additional seating (3,400) in 1974; a remodeled baseball pressbox in 1974; and additional seating (4,400) in 1975, bringing the capacity to the present 53,192.

In addition, the Milwaukee Brewers built a new electronic scoreboard in April, 1980 and an outdoor scoreboard in April, 1984, both of which were donated to Milwaukee County. The most recent addition occurred in 1986, when permanent cement bleachers were constructed.

## AMERICAN LEAGUE PLAYERS OF THE WEEK MILWAUKEE BREWERS - 1987

**JUAN NIEVES** - for the week ending April 19 . . . the 22-year-old lefthanded pitcher tossed the first no-hitter in Milwaukee Brewer history, the only one in the majors in the 1987 season. He also was the 14th youngest to ever pitch a hitless game, the first Puerto Rican-born to do so in the American League. His feat came in Baltimore, April 15.

**PAUL MOLITOR** - for the week ending August 16 . . . The 10 year veteran hit .448, collecting 13 hits in 29 at bats as he kept his hitting streak alive. His streak surpassed the club mark of 24 held by Davey May in 1973.

**PAUL MOLITOR** - for the week ending August 23 . . . For the second straight week, a club first, Molitor earned the distinction batting .452 and extended hit streak to 38 straight games (the streak ended at 39), the longest since Joe DiMaggio's record 56-gamer in 1941 in the American League.

**TEDDY HIGUERA** - for the week ending September 6 . . . The lefty tossed a pair of complete game shutouts, fanning 16 batters in 18 innings, allowing just 3 hits in the process.

**ROBIN YOUNT** - for the week ending September 17 . . . In 7 games, he drove in 15 runs with the help of a pair of homers, batting .419, giving the Brewers 5 Players of the Week in 1987, the most since 6 were recognized in 1978.

It was the 34th time the Yankees participated in post season action while it marked the first appearance in playoff competition for the Brewers. New York took the best of five series, three-games-to-two and swept three games from Oakland to earn the American League Championship. ## TELEVISION INFORMATION ANNOUNCERS

### MIKE HEGAN

One of the most popular former Brewer players, Mike Hegan is entering his tenth season as a Brewer announcer. It will be his seventh season with WVTU/Super 18, after previously handling announcing duties for WTMJ-TV from 1978 to 1980. A member of the original Brewers starting lineup in 1970, Mike also played with the Seattle Pilots, Oakland A's and New York Yankees, before winding up his career, once again, on the Milwaukee roster. The former 1st baseman-outfielder was a member of the 1969 All-Star Team, while with Seattle and played on the 1972 World Championship Oakland A's team. He received the Brewers' Distinguished Alumnus Award in 1985. Upon his retirement as an active player in 1977, Mike turned to broadcasting full-time. Today, in addition to his work for WVTU/Super 18, Mike also works with the Brewers Community Relations Office. In 1985, Mike began operating "Grand Slam U.S.A.", an indoor baseball practice and instructional facility located in the Milwaukee area. Mike, his wife, Nancy, and their sons, Shawn and J.J. have resided in Mequon, Wisconsin since 1970.

### JIM PASCHKE

Veteran Milwaukee sportscaster Jim Paschke begins his second season on the Brewer broadcasting crew. Jim will be handling play-by-play duties with Mike Hegan on WVTU Super TV-18 and the Brewer television network. In addition to his baseball duties, Jim is also the voice of the Milwaukee Bucks basketball, also on WVTU-TV. Jim comes to the Brewers with an extensive sportscasting background. Since 1980 he had been anchoring the sports desk at WITI-TV in Milwaukee, eventually being named sports director in 1984. He continues to have reporting assignments at the station. A versatile talent, Jim's previous play-by-play experience includes Wisconsin Badger football and basketball, Milwaukee Admirals hockey, Marquette University basketball and CART-ASA-NASCAR auto racing. Paschke has also served as a radio replacement commentator for Brewer games, and as a sideline analyst for ABC-TV in the United States Football League. Before coming to Milwaukee, Jim worked at TV stations in Madison, Wisconsin, Peoria, Illinois, and Sioux City, Iowa. A finalist for the 1985 Wisconsin Sportscaster of the Year, Jim has been honored by the Badger Chapter of American Women in Radio and Television as Newscaster of the Year. He is also a 4-time United Press International and 2-time Milwaukee Press Club winner of Best TV Sports Report. A Minnesota native, Jim, and his wife, Debbie, a weekend anchorwoman at WITI-TV 6, currently reside in the Milwaukee area.

Sixty Brewer games will be carried on the Brewer Television Network, which includes stations in Fort Walton Beach (WFGX TV35), Florida; Rockford (WQRF, TV 39) Illinois and Dubuque (KDUB, TV40) and Marshalltown (K39AS, TV39), Iowa as well as Green Bay (WGBA, TV26), LaCrosse (WLAX, TV25), Madison (WMSN, TV47) and Wausau (WAOW, TV9). ### MOLLY HONORED WITH CRONIN AWARD

Paul Molitor was named the recipient of the American League's Joe Cronin Award for significant achievement during the 1987 season. Molly was honored with the distinction for his club record 39 game hitting streak, the fifth longest in modern day history - the longest in the A.L. since Joe DiMaggio's record 56-gamer in 1941. The Cronin Award is named for the Hall of Famer and former A.L. President. The league began honoring players with the award back in 1973. In 1986, Boston's Roger Clemens was recognized for his 20 strikeout performance against the Seattle Mariners. Only one other Brewer was ever honored with the award. In 1981, Rollie Fingers was recognized for earning the A.L. Cy Young Award and Most Valuable Player Award, the first relief pitcher to ever capture both distinctions.

## BEHIND THE SCENES

**John Adam** is in his 8th season as the Milwaukee Brewers trainer. Adam, 33, was a pitcher in the Baltimore Orioles minor league system before joining the Brewer organization in 1978 as a minor league trainer. He earned an A.A. Degree from East Los Angeles College and also attended Cal-State University at Dominguez Hills. Born in Gardena, California, John and his wife, Patty and their daughters, Jacqueline and Ellison, make their home in Hales Corners, Wisconsin during the off-season.

**Al Price**, 29, begins his first season as the Milwaukee Brewers assistant trainer. However, this is his 10th season in the Brewers' organization.
